* For Waste Codes F001-F005, F039, D002 & D001 DEACT, the underlying constituents must be identified, see attached.

- ☐ IF Column A is checked: I certify under penalty of law that I personally have examined and am familiar with the waste and that the lab pack contains only the wastes specified in Appendix IV to part 268 or solid wastes not subject to regulation under 40 CFR Part 261. I am aware that there are significant penalties for submitting a false certification, including the possibility of fine or imprisonment.
- ☐ IF Column B is checked: I certify under penalty of law that I personally have examined and am familiar with the waste through analysis and testing or through knowledge of the waste and that the lab pack contains only organic wastes specified in Appendix V to Part 268 or solid wastes not subject to regulation under 40 CFR Part 261. I am aware that there are significant penalties for submitting a false certification, including the possibility of fine or imprisonment.
- ☐ IF Column C is checked: If indicated by "X", the specified waste codes are able to be land disposed without further treatment. In accordance with 268.7(a)(2) and regarding those restricted waste(s) contained in this shipment, these waste(s) may be land disposed without further treatment.

I submit the following certification statement:

I certify under penalty of law that I personally have examined and am familiar with the waste through analysis and testing or through knowledge of the waste to support this certification that the waste complies with the treatment standards specified in 40 CFR Part 268 Subpart D and all applicable prohibitions set forth in 40 CFR 268.32 or RCRA section 3004(d). I believe that the information I submitted is true, accurate and complete. I am aware that there are significant penalties for submitting a false submitting a false certification, including the possibility of a fine and imprisonment.

- ☐ This hazardous debris is subject to the alternative treatment standards of 40 CFR268.45.
- ☐ This manifest includes controlled benzene waste which is subject to the notification requirements of 40 CFR 61 subpart FF. WMDS # _____

Waste analysis is attached where available, otherwise, the information contained herein is based upon my thorough knowledge of the waste(s).

I hereby certify that all information submitted in this document is complete and accurate to the best of my knowledge and information

Signature Robert G. Trull, Jr. Title Sr. Plant Engineer Date 02-23-95
